

FREEWAY

FALLS RECOVERY SLING

Product Code: 12018E3-FRS

Description: The Freeway Falls Recovery Sling allows carers to safely transfer a person that needs assistance immediately after a fall.

Once moved onto the sling, the person can be easily slid to a more open area if required, for the suitable positioning of a hoist.

- Key Features:**
- Versatile design – suitable for adults and children
 - Strong, yet built for comfort
 - Low friction material for comfortable transfer and sliding of a person (the yellow side)
 - Easy application and removal
 - Integral space saving storage and carry bag
 - Machine washable

Material Polyester /Slipfit

Size One Size

Important Safety Notice

Harvest Healthcare Ltd supplies equipment and appliances to cover a range of medical conditions. Specific choice of equipment is the sole responsibility of the clinical practitioner or carer overseeing individual patient care. Harvest Healthcare Ltd supplies a range of products such as foam mattresses, active air mattresses, fall protection mats, slings and bed rail protection bumpers. These products are usually covered in vapour permeable PU fabric that could cause risk of suffocation in the event of prolonged facial contact.

Risk assessments specific to user must be carried out prior to the use of all products. Products and data continually undergo development and may therefore deviate from the details given.
